Allowable Subject Matter

Claims 1-4 and 6-12 are allowed.

Claims 1-4 and 6-9 are allowable since the prior art of record does not teach a driving apparatus for at least one recording head comprising a first delay circuit that selectively outputs, to the second drive signal provider, either the waveform signals obtained by delaying the waveform signals received by the first waveform signal receiver or the waveform signals received by the second waveform signal receiver in combination with other features and limitations of claim 1.

Claims 10-12 are allowable since the prior art of record does not teach an image recording apparatus comprising a first delay circuit that selectively outputs, to the second drive signal provider, either the waveform signals obtained by delaying the waveform signals received by the first waveform signal receiver or the waveform signals received by the second waveform signal receiver in combination with other features and limitations of claim 10.
